**Notice Concerning Coordination of Benefits**

If you or your family members are covered by more than one health care plan, you may not be able to collect benefits from both plans. Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Read all the rules very carefully, including the Coordination of Benefits section, and compare them with the rules of any other plan that covers you or your family.

**Restrictions on Choice of Providers**

All services described in the Summary of Benefits must be provided, arranged or authorized by your Primary Care Physician. Exceptions are Emergency Medical Conditions and services from the following Participating Providers: OB/GYNs, vision providers, dermatologists, allergists, hematologists, oncologists and pediatric pulmonologists. In the event you are referred to a non-Participating Provider, prior authorization must be obtained from Paramount by your Primary Care Physician except for Emergency Medical Conditions. The services of chiropractors are not covered unless an optional rider has been purchased.

**Principal Exclusions and Limitations**

Exclusions include, but are not limited to: dental services, dental treatment of TMJ, growth hormones, custodial care, convenience care items, experimental/investigational services, routine foot care, cosmetic surgery (except to restore functioning), assisted reproductive technology including but not limited to: in vitro fertilization, GIFT, ZIFT, infertility drugs, surrogate pregnancy and other assisted reproductive technology unless specifically required by state regulation. The Summary of Benefits is an outline of Deductibles, Copayments, Coinsurance and limits. For complete details on Paramount's Benefits, refer to your Ohio Member Handbook, the Group Medical and Hospital Service Agreement or call our Member Service Department at (419) 887-2525 or toll-free at 1-800-462-3589. TTY services for the hearing impaired are available by calling 1-888-740-5670. You may also visit our web site at [www.paramounthealthcare.com](http://www.paramounthealthcare.com)

All Covered Services are subject to Medical Necessity. Refer to the Group Medical and Hospital Service Agreement, Sections I through V for further details.

**Deductible and Out-of-Pocket Copayment Limit**

A Deductible is the amount you must pay for Covered Services within each Contract or Calendar Year before benefits will be paid by Paramount. If your plan has a Deductible, it is stated above. Preventive Health Services and Covered Services requiring a Copayment are not subject to the Deductible. The Out-of-Pocket Copayment Limit is the maximum amount of Copayments and Coinsurance including the Deductible (if any) you pay every Contract or Calendar Year. Copayments and Coinsurance for Supplemental Health Services such as mental health, substance abuse, home health care, durable medical equipment, prosthetic devices, prescription drugs and any penalties do not count toward the Out-of-Pocket Copayment Limit.
