

## PARAMOUNT INSURANCE COMPANY

# Alliance Plans

Many businesses, especially smaller businesses, want affordable health insurance for their employees, but lack the buying power of much larger companies.

By joining a local business association, such as your **Chamber of Commerce**, **Better Business Bureau (BBB)**, or **Toledo Bar Association (TBA)**, smaller businesses can take advantage of group buying power through special Alliance plans from Paramount that offer extremely competitive prices and a variety of plan options.

Paramount's association plans are for northwest Ohio businesses with 2-49 full time employees, who belong to a participating association.

Due to the availability of individual coverage on the Marketplace, sole proprietors are not eligible. However, a sole proprietor with a current Alliance plan issued on or before December 2013, may retain your Paramount plan.

Alliance plans are available fully-funded, under our HMO or CDHP platform. We have a variety of association plan options for you to choose from.

## PARTICIPATING ASSOCIATIONS

A list of Alliance participating associations can be found on our website at:

[www.paramounthealthcare.com/alliance](http://www.paramounthealthcare.com/alliance)

## MYPARAMOUNT.ORG

All Paramount members can gain access to MyParamount.org, an online personal portal. Members will be able to view their deductible and out-of-pocket counters, as well as view their claims, print their ID card and even Live Chat with Member Services. All from their computer, laptop, tablet or smartphone.

Smaller businesses can take advantage of group buying power through special Alliance plans from Paramount.
