

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact Paramount at 1-866-452-6128 or [www.paramounthealthcare.com/member-handbooks](http://www.paramounthealthcare.com/member-handbooks). For general definitions of common terms such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [www.paramountinsurancecompany.com](http://www.paramountinsurancecompany.com) or call 1-866-452-6128 to request a copy.

Important Questions	Answers	Why this Matters:
<b>What is the overall deductible?</b>	<b>\$4500</b> Single (In-Network) <b>\$9000</b> Family (In-Network) <b>\$9000</b> Single (Out-of-Network) <b>\$18000</b> Family (Out-of-Network) Does not apply to preventive care or covered services requiring a copayment.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes, <u>preventive care</u>	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No (In-Network) No (Out-of-Network)	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	<b>\$5500</b> Single (In-Network) <b>\$11000</b> Family (In-Network) <b>\$11000</b> Single (Out-of-Network) <b>\$22000</b> Family (Out-of-Network)	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	Premiums, Out-of-Network financial penalties imposed for failure to obtain required pre-authorization, balanced-billed charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	Yes. See <a href="http://www.paramountinsurancecompany.com/FindAProvider">www.paramountinsurancecompany.com/FindAProvider</a> or call for a list of CDHP providers, including Curanet and Encore networks.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (a <u>balance bill</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a referral to see a specialist?</b>	No	You can see the <u>specialist</u> you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a deductible applies.
