Section 1 - Introduction

This directory provides a list of HRI Dental network providers for your plans service area.

Your plan has contracted with HRI Dental to provide your covered dental services and providers. The network providers listed in this directory have agreed to provide you with your covered dental services. To view your dental coverage in detail, please refer to your plans Evidence of Coverage.

Under this plan, you must receive your covered dental services from a dental provider who is a member of the HRI Dental, DenteMax or Connection Dental networks. **Services will be reduced or denied if you do not use a network dental provider, and you will be responsible for the full amount charged for those services.**

HRI Dental offers a multi-state provider network. Network providers outside of your plans service area may not be included in this directory. You can search a complete list of your plan's dental providers online at **insuringsmiles.com/FindADentist**.

What is the service area for your plan?

The service area is listed on the cover page of this document. Please note: HRI Dental offers a multi-state network that includes additional providers not listed for your plan's service area.

How do you find HRI Dental providers that serve your area?

You may go to any of the network providers listed in this directory. HRI Dental also offers a multi-state network that includes additional network providers not listed in this directory. You can search a complete list of network providers online at **insuringsmiles.com/FindADentist**.

You may also call HRI Dental directly at 833-203-1174 (TTY: 711) to speak with a Member Services Representative who can help schedule your dental services with a local network provider. Representatives are available Monday -Thursday, 7 a.m. to 5 p.m. and 7 a.m. to 4:30 p.m. CTS. Language support services are provided free of charge.

You should ask to confirm if your network provider is accepting new patients.
