Introduction

This booklet provides a list of Paramount Elite's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Paramount Elite's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Paramount Care, Inc./Paramount Insurance Company. When it refers to "plan" or "our plan," it means Paramount Elite Medicare.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network or there may be newer pharmacies in our network that are not listed. This list is current as of January 01, 2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called CVS Caremark Rx Delivery by Mail. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Branch, Hillsdale, Lenawee, Monroe, Washtenaw counties in Michigan and Fulton, Lucas, Ottawa, Sandusky and Wood counties in Ohio including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at **1-833-554-2335** (TTY: 711 for hearing impaired).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Type of Pharmacies

Pharmacies are listed alphabetically (by state, county, and pharmacy name) in this directory by type of pharmacy. The types of pharmacies include retail, specialty, home infusion, long-term care pharmacies and our mail-order pharmacy.

* – Indicates that a 90-day supply of drugs may be obtained at this pharmacy as well as through our mail- order service.

E – Indicates network pharmacies that support electronic prescribing.

– Indicates that the pharmacy may not be a retail walk-in pharmacy and may service a specific group. Enrollees should call the pharmacy first to confirm.

Open 24/7 – Indicates the pharmacy is open 24 hours a day.

Mail Order Pharmacy

CVS Caremark

1-855-749-0851 (TTY: 711)

caremark.com

You can get prescription drugs shipped to your home through our network mail order delivery program which is called CVS Caremark Rx Delivery by Mail.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us at Paramount Elite Medicare Member Services at **1-833-554-2335** (TTY: 711) or CVS Caremark Customer Care toll-free at **1-855-749-0851** (TTY: 711). If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program, CVS Caremark ReadyFill at Mail. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed.

Updated 01/01/2026

If you choose not to use the auto refill program, please contact us 25 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling Paramount Elite Medicare Member Services at **1-833-554-2335** (TTY: 711) or CVS Caremark Customer Care toll-free at **1-855-749-0851** (TTY: 711).

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at Paramount Elite Medicare Member Services at **1-833-554-2335** (TTY: 711) or CVS Caremark Customer Care toll-free at **1-855-749-0851** (TTY: 711).
