Summary of Benefits

This booklet gives you a summary of what we cover and what you are responsible for. It doesn't list every service we cover or list every limitation or exclusion. To get a complete list of covered services, see our Evidence of Coverage by visiting ParamountHealthCare.com/MAPlanInfo.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan such as Paramount Elite Standard (HMO-POS).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what Paramount Elite Standard (HMO-POS) covers and what you pay. If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or use the Medicare Plan Finder on Medicare.gov.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at Medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week. TTY users should call 1-877-486-2048.

This document is available in other formats such as braille and large print. This document may be available in a non-English language. For additional information, call us at 1-844-958-4620 (TTY 711).

Which doctors, hospitals and pharmacies can I use?

Our plans have a network of doctors, hospitals, pharmacies and other providers. If you use providers that are not in our network, the plan may not pay for these services.

- You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.
- You can see our plan's provider and pharmacy directories at our website visiting ParamountHealthCare.com/MAPlanInfo.
- Or call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more.

- Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs, such as chemotherapy and insulin, as well as some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website ParamountHealthCare.com/MAPlanInfo.
- Or call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five tiers. You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document, we discuss the following benefit stages: Deductible, Initial Coverage and Catastrophic Coverage.
