| Requirements/Limits                  | Description                                                                                                                                                          |
|--------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| PA = Prior Authorization             | You (or your physician) are required to get prior authorization before you fill your prescription for this drug. Without prior approval, we may not cover this drug. |
| QL = Quantity Limits                 | There is a limit on the amount of this drug that is covered per prescription, or within a specific time frame.                                                       |
| ST = Step Therapy                    | In some cases, you may be required to first try certain drugs to treat your medical condition before we will cover another drug for that condition.                  |
| OTC = Over The Counter               | Available with or without a prescription, but a prescription is required to fill under your prescription benefits.                                                   |
| PA** = PA Applies if Step is Not Met | If step therapy conditions are not met, you or your provider may request an exception to the requirement.                                                            |

**NOTE:** This document should be used as a general reference for what drugs the plan may cover; however, this document does not guarantee coverage. Not all strengths or dosage forms may be covered, and formulary status is subject to change. When an equivalent generic drug becomes available, the brand drug may no longer be covered
