## **Paramount Commercial Benefit Plans**

### **HealthRules Payor Claim System Conversion**

---

Effective July 1, 2025, Paramount Healthcare will begin the migration and implementation of Commercial Benefit Plans to our next-generation core administrative processing system HealthRules Payor for claim adjudication. Paramount has successfully adjudicated claims for other product lines utilizing HealthRules Payor since June 2021.

As part of the HealthRules Payor system conversion, Paramount will continue to utilize and implement Optum's claim editing, code editing and pricing tools. Conversion to HealthRules Payor supports Paramount's commitment to further align claim editing and pricing methodology to Paramount Medical and Reimbursement Policies, CMS, AMA and other regulatory agencies, including but not limited to, multiple procedure reductions.
