　ACCURACY PERCENT: 83.33%
　THE ERRORS LISTED ABOVE MUST BE CORRECTED AND THE ENTIRE CLAIM RESUBMITTED

The claim number indicated is for each **CLEAN** claim that was uploaded successfully.

When you do not see a claim number this means we received the claim in the file, but it had an error and the claim was not uploaded to our system. The erred claim will show up on the errors page. **You will need to resubmit the entire claim electronically.**

When calling Provider Inquiry about a claim's status, please reference the claim number for quick lookup.
